**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. Sonic provides a level of customer care that is unheard of in the mega-giant carriers like ATT. Please don't take away the chance for small companies to compete in this market. They are filling a unique need and should be given a level playing field to continue to give exceptional service.

Sincerely yours,

Karen Dega
